

Drill bits series

FOCHAN TOOLS
Web site:www.chinalegong.com

Employing high quality alloy steel for drilling body and tungsten carbide for drilling tip,and in combination with various types of electric hammer, the drill is one of the most efficient tools suitably and widely used for hole drilling in hard materials like concrete/brick in construction & installation industries. Available in sand-blast, bright finish, black oxide, brown color etc.

Chisels series

FOCHAN TOOLS
Web site:www.chinalegong.com

The chisel can be used with electric hammer and it is widely applicable and high efficient chiselling hole,cutting groove tool for concrete and brick wall.Our products include pointed chisel, big flat chisel, gouge and groove chisel.The chisel length can be selected according to customers' requirements. The shank types can be selected according to upper list of shank structure.
